Dear Editors of SKASE *Journal of Theoretical Linguistics*

Renáta Gregová, Lívia Körtvélyessy, Pavol Štekauer

Greetings from Indonesia! We would like to submit our original, unpublished paper on swear words to **SKASE Journal of Theoretical Linguistics** for publication. Please kindly find two files attached for your consideration:

1. Our paper entitled *Swear Words Used by Jordan Belfort in The Wolf of Wall Street Movie* (.doc 1997-2003, around 4,330 words); this paper was not sent and will not be sent to any other journals (except after getting declined by SKASE *Journal of Theoretical Linguistics*).
2. **Turnitin** similary check report -- 17% (pdf)

We are looking forward to hearing from you. Thank you very much for your kindness and have a great time there!

Best regards
