Dear Mr. Dian Artanto,

Author of 1570402241 Drowsiness Detection System Based on Eye-closure Using A Low-Cost EMG and ESP8266. Thanks for joining and your cooperation during The 2nd International Conference on Information Technology on Information Technology, Information Systems and Electrical Engineering (ICITISEE 2017) at Yogyakarta, Indonesia. This year, The 2nd ICITISEE 2017 has attracted more than 187 papers from 19 countries i.e. Indonesia, Thailand, Malaysia, India, Vietnam, Philippines, P.R. China, Kenya, Pakistan, Japan, Canada, Bangladesh, Iran, Taiwan, Kuwait, Saudi Arabia, Iraq, USA, and United Kingdom (Great Britain). The papers that have been submitted to this international conference has an acceptance ratio of 50.8% or 95 accepted papers.

We hope you enjoy and satisfied during this 2 days conference. Some notices should be taken after this conference.

*** Please submit the revised paper within 7 days after the conference (until 9 November 2017) if have any correction via EDAS account (the extended time for revising paper has been opened for you). Please use compatible browser and good internet connection to upload your file, if not the buttons won't emerge.

*** Before you upload your revised paper, please remove your old paper and replace it with the new one. The revised paper should be in the format .pdf. Please use pdf express, please take the site <https://www.pdf-express.org/> and fill the conference ID with 41508x. The ID we use is taken from our next conference of ICOIACT because the ID for ICITISEE has been closed.

***** If you don't have any login account, please click "New Users".

***** To begin, click on the "Create New Title" button. You can convert 20 source files and check 10 PDF files with one Paper ID.

***** You are encouraged to correct all content, spelling, and grammatical errors before using this service.

***** After using IEEE PDF eXpress, submit your IEEE Xplore®-compatible PDF by 9/11/2018 (West Indonesia Time) via your EDAS account.

*** Please be aware, according to the IEEE regulation the maximum similarity score has to be less than 30% and presented. The ICITISEE 2017 Committee won't be responsible if your paper is excluded from the IEEEEXPLORE that normally indexed on the Scopus. Please see on your EDAS account due to your paper's similarity score. We will update your similarity score after you inform it to us that you have uploaded your revised paper

*** If there is no confirmation from the author about the revised paper until the extended time for revising, we will send all fixed papers and appropriate with the IEEE regulation to the IEEE to be published in the IEEEEXPLORE (<http://ieeexplore.ieee.org/>) that normally indexed on the Scopus.

*** For the presenter who couldn't come to the ICITISEE 2017, we still give you chance to present your paper in the ICOIACT 2018 with a special rate (please contact Mr. Akhmad Dahlan (Alland) via phone/WA: +62 878-3888-1878) and the paper after being presented in the ICOIACT 2018 will be included in the ICOIACT papers. Please visit our website <http://icoiact.org/>

On behalf of The ICITISEE 2017 committee, We want to apologize for any inconvenience during the conference.

Last but not least, we hope to see you again in our upcoming conference organized by us at International Conference on Information and Communications Technology (ICOIACT) which will take place from 6 – 8 March 2018 in Yogyakarta, Indonesia (<http://icoiact.org/>).

Kind Regards,

Dear author,

Please revise your paper and upload your paper format .doc into PDF EXPRESS, not in the format .pdf. The resulted file from the PDF EXPRESS is the file within format .pdf, thus upload this file into EDAS. It should be done by the author-self.
Thank you
