Dear colleagues,

On behalf of Faculty of Industrial Technology, Institut Teknologi Nasional (Itenas) Bandung - Indonesia, we would like to cordially invite you to the Faculty of Industrial Technology International Congress 2017 (FoITIC 2017), which will be held in October 9-11, 2017, at Itenas campus. The theme of FoITIC 2017 is "Towards Reliable Renewable and Sustainable Energy Systems: Challenges and Opportunities", which can be viewed from broaden field of sciences. Congress will divide into three (3) main programs i.e. International Conference, International workshop and Exhibition.

The congress is organized by Faculty of Industrial Technology, Itenas Bandung – Indonesia, in cooperation with Indonesian Society for Reliability (ISR) and Institute of Electrical & Electronics Engineers Indonesia Society on Social Implication of Technology Chapter (IEEE Indonesia SSIT Chapter).

The aim of the International Conference is invites academics, researchers, engineers, government officers and company delegates from the field of energy and other discipline (such as electrical, mechanical, industrial, chemical, informatics, civil, architect, physics, environment, social, economic, design and etc.), to gather, present and share the results of their research and/or work and discuss strategies for the future utilization of renewable and sustainable energy system.

The recommended topics for this conference are available below, but not limited to:

1. Renewable energy resources assessment
2. Producing and storing renewable electricity (solar energy, wind energy, biomass, fuel cells, geothermal energy, energy from wastes, hydro and ocean energy, nuclear energy)
3. Renewable energy grid integration & distribution: utilities of the future
4. Renewable energy integration: smart grid and storage
5. Renewable cities and community power programs
6. Off-grid & rural energy access
7. Electric power and energy efficiency
8. From laboratory to the real world renewable energy system
9. Development and application of technology with energy saving capability
10. Automation and measurement technologies
11. Multidisciplinary modeling and simulation in renewable energy field
12. Computer aided engineering
13. Computing technology for sustainable industrial system
14. Renewable energy education
15. Renewable energy infrastructure
16. Renewable energy in biosystems engineering
17. Renewable energy economics and management
18. Renewable energy program risk assessment and management
19. Reliability of renewable energy system
20. Nanotechnology in renewable energy field
21. Material technology for renewable energy system
22. Green manufacturing technology
23. Green architecture and buildings
24. Sustainable transportation system

- 25. Environmental technologies
- 26. Other relevant topics are welcome

At the first, please send your abstract according to the abstract template which available in conference website by July 14, 2017, at latest.

Other important dates and conference details can be seen at <http://foitic-itenas.com> or <http://foitic.itenas.ac.id>.

Selected and high quality papers will be submitted to special issue Elsevier's International Journal Energy (indexed by ISI web of science/Thomson Reuters) with impact factor 4.292, through the normal rigorous review process (<http://foitic-itenas.com/academic-journal/>).

Through this email, we would like your kindness to forward this Call for Paper to your colleagues/students.

We look forward to seeing you in Bandung and we do hope that the conference will be an exciting and rewarding experience for all the participants.

Greetings from Itenas Bandung Indonesia.

Dr. Dani Rusirawan

Chairman of the FoITIC 2017

Mon, Sep 18, 2017 at 2:31 PM

Dear FoITIC 2017 Commitee,

I just opened this slipped email,

is there still an opportunity for me to send a paper,

I apologize for my delay, I am very interested in attending this conference,

attached is my paper,

if there is still a chance to be considered in the conference,

I am ready to attend,

Thank you very much for your attention

Best regards

dian artanto

Dear bapak Dian,

Thank you for your email. Regarding to your question, we still open for your contribution to our conference. Please submit to us simultaneously abstract (in pdf) and full paper (in pdf and MS-word), based on template which available in the link:

<http://foitic-itenas.com/submission/>

Meanwhile, information about important date can be seen in the link: <http://foitic-itenas.com/important-dates/>

Once again, thank you for your interest to our conference, we wait your abstract and full paper.

Greetings from Itenas Bandung campus.

Sincerely

FoITIC 2017 Committee

To FOITIC 2017 Committee,

Dear Committee,

Previously I would like to thank
received your email about FOITIC 2017 event,

Here I attached my Abstract and my Full paper.
Thanks for receiving it, and I am ready to attend FOITIC 2017
and to present my paper.
Once again, thank you very much,

Warm regards,
Dian Artanto

Dear colleagues,

We are very pleased to announce that your paper has been accepted for oral presentation at the 1st Faculty of Industrial Technology International Congress 2017 (FoITIC 2017), which will be held in October, 9-11 at campus of Itenas Bandung.

The formal of acceptance letter can be found in attached.

Thank you for your interest to our conference and We look forward to welcoming you in Itenas campus Bandung, West Java – Indonesia.

Sincerely

FoITIC Committee

Dear colleagues,

Hereby we inform that FoITIC preliminary program has been available on the FoITIC website: <http://foitic-itenas.com/preliminary-program/>

All the paper titles listed in preliminary program have been accepted by scientific committee to be presented.

To ensure that your paper title to be included in "FoITIC 2017 Book of Program", please complete your registration and send to us proof of payment, at least October 4, 2017. Please ignored this information if you have complete your registration and listed in: <http://foitic-itenas.com/participants/>

Once again, thank you for your interest to our conference, and greetings from Itenas campus, Bandung - Indonesia.

Sincerely
FoITIC 2017 Committee
