Re : Acceptance of abstract

To : **Novi Indriani, S. Pd. and Dr. Hongki Julie, M. Si.**
Sanata Dharma University

Congratulations! The Faculty of Mathematics and Natural Science, Yogyakarta State University kindly invite you to attend in *The 4th International Conference on Research, Implementation and Education of Mathematics and Science (4th ICRIEMS)* on 15 – 16 May 2017, which has a theme of "Research and education for developing scientific attitude in sciences and mathematics".

Your abstract entitled:

DEVELOPING LEARNING BASED INSTRUCTION ON THE CIRCUMFERENCE OF A CYCLE FOR GRADE V WITH REALISTIC MATHEMATICS EDUCATION (RME)

has been reviewed by a scientific team organized by the conference committee and the result indicates that your abstract is **accepted** to be presented in the parallel session. If the reviewer has requested any revision, it must be revised. This abstract will be published in the conference booklet.

For abstract with more than one author, we would appreciate very much if the name of the author who will give the presentation is well informed. This would greatly assist us in preparing the presenter's certificate earlier.

The committee also invites all authors to submit full papers that will be peer reviewed by ICRIEMS committee. Each **accepted** and **selected** paper will be assigned one of the publication categories as follows.

Category 1: SCOPUS Indexed AIP Conference Proceedings.

Category 2: DOAJ Indexed Journals: [JPMS](#), [JSD](#), or [Jurnal Inovasi Pendidikan IPA](#).

Category 3: Regular ICRIEMS Proceedings indexed by Google Scholar

Full-paper is due on Sunday, 16 April 2017 and will not be extended to allow sufficient period of reviewing process. Guidelines and more information can be found in the website:

www.seminar.uny.ac.id/icriems.

We look forward to seeing you soon!

Conference Chair,

ICRIEMS
FMIPA UNY

Dr. J. Sudomo, M.A.
