Journal: Results in Chemistry

Title: An Integrated Virtual Screening of Compounds from Carica papaya Leaves against Multiple Protein Targets of SARS-Coronavirus-2

Corresponding Author: Dr Maywan Hariono

Co-Authors: Pandu Hariyono; Christine Patramurti; Damiana S. Candrasari

Manuscript Number:

Dear Christine Patramurti,

Dr Maywan Hariono submitted this manuscript via Elsevier's online submission system, Editorial Manager, and you have been listed as a Co-Author of this submission.

Elsevier asks Co-Authors to confirm their consent to be listed as Co-Author and track the papers status. In order to confirm your connection to this submission, please click here to confirm your co-authorship:

<https://www.editorialmanager.com/rechem/l.asp?i=23083&l=UJNTQ4KD>

If you have not yet registered for the journal on Editorial Manager, you will need to create an account to complete this confirmation. Once your account is set up and you have confirmed your status as Co-Author of the submission, you will be able to view and track the status of the submission as it goes through the editorial process by logging in at

<https://www.editorialmanager.com/rechem/>

If you did not co-author this submission, please contact the Corresponding Author directly at mhariono@usd.ac.id

Thank you,

Results in Chemistry
