Congratulations

Congratulations on your accepted article!

Dear Author,

We recognize you have a choice of where to submit your research and we thank you for choosing to publish with *Knowledge-Based Systems*.

As an expert in the topic, you are best to explain why your article, **A BPSO-based method for high-utility itemset mining without minimum utility threshold**, is so important or novel. Find out how to make the most of your article:

Share Your Research Data   Researcher
                                     Academy   Get Noticed

We look forward to receiving future manuscripts from you!

Sincerely,

Researcher Engagement Team

Elsevier supports responsible sharing:

Responsible sharing in line with copyright enables publishers to sustain high quality journals and the services they provide to the research community. Find out how you can share your accepted manuscript in Elsevier journals.
