Dear Mrs. Gunawan,

Congratulations, your paper 1570214356 ('The Clustering of High Schools Based on National and School Examinations using Fuzzy C-Means Clustering (A Case Study at Yogyakarta Province)') for ICoDSE2015 has been accepted. For information regarding the author instructions for the preparation and submission of the final camera ready, as well as for conference registration, I would like to refer you to the following link in the conference's website:

<http://icodse2015.ugm.ac.id/submission>.

I am looking forward to meeting you in Yogyakarta.

With the best regards,

Reza Pulungan
