Dear Jurnal Teknologi editorial team

I apologize for asking this again because I really need to publish my article.

I am still confused, you said that my article was published on June 22nd, 2020.

Because the portal is still not accessible, where can I access my article so that I can know if my article was published on that date?

Thank you very much for your kindness.

Best regards,  
Bernadeta Wuri Harini
